

## Laikipia County Stakeholder Analysis

### Stakeholder/Institutional Analysis for the WEF project

No	Stakeholder	Reason to involve the stakeholder	Why the stakeholder wants to be involved (Benefit)
	<b>County Government of Laikipia/Local authorities</b>		
1	<b>Department of crops and irrigation</b>	-capacity building -provide extension services -Linkage between farmers, markets and research -funding of projects	-achieve their mandate -Improve livelihoods
2	<b>Department of livestock, fisheries and veterinary services</b>	- capacity building -provide extension services -Linkage between farmers, markets and research -funding of projects	-achieve their mandate
3	<b>Department of energy</b>	-Promotion of energy saving devices -tapping green energy -capacity building	- achieve their mandate
4	<b>Department of water, environment, natural resources &amp; climate change</b>	-capacity building -developing and maintaining infrastructure	- achieve their mandate
	<b>Water service providers like NAWASCO</b>	-water resource providers	-achieve their mandate
	<b>National Government departments</b>		
5	<b>Food Systems Resilience Program (FSRP)</b>	-food security for farmers and pastoralists -water provision for farmers and pastoralists -capacity building -link farmers with research institutions -link research to practice application	-promote resilience to climate change
6	<b>Ministry of Interior</b>	-policy enforcement	-ensure law and order

		-community mobilization - registration/mapping of farmers	-sensitization of the community
7	<b>NIA-National Irrigation Authority</b>	-Construction of water structures -funding of water projects -Establishing irrigation schemes	-achieve their mandate -ensure food security
8	<b>Kenya wildlife service</b>	-mitigate human-wildlife conflicts -conservation of conservancies	- achieve their mandate
9	<b>Kenya forest service</b>	Restoration of catchments -tree nursery registration -planting and growing of trees	- achieve their mandate
10	<b>WASREB</b>	-ensure fairness in water charges (tariffs)	- achieve their mandate -revenue generation
11	<b>WRA-Water Resource Authority</b>	-resource allocation -in charge of water rights	-Ensure enforcement of water resource regulations
12	<b>KDF- Kenya Defense Forces</b>	-water infrastructure development and rehabilitation -construction of roads -offer rescue services -ecosystem restoration through tree planting and cleaning of rivers	-achieve their mandate of corporate responsibility
13	<b>Water Works Agency e.g., Central Rift Water Works Agency</b>	-funding water projects -capacity building -resource mobilization	-ensure water supply
14	<b>NEMA</b>	-environmental and social impact assessment	- achieve their mandate
15	<b>Kenya power</b>	-provide power	-achieve their mandate

16	<b>National Cereals and Produce Board</b>	-grain storage and input disbursement	- achieve their mandate
17	<b>WSTF-Water services trust fund</b>	-funding water projects -capacity building	- achieve their mandate -improve livelihoods
18	<b>KEPHIS</b>	-provide quality inputs to the farmers which will aid in the project	-achieve their mandate -aid in provision of quality inputs in the project
19	<b>Meteorological department</b>		
	<b>Local NGOS</b>		
20	<b>NRT</b>	-conservation -funding	-rangelands restoration -resource provision to communities (water, farm equipment)
21	<b>Permaculture</b>	-conservation -funding	-achieve their mandate -ensure environmental sustainability and ecosystem-based adaptation
22	<b>Rural focus</b>	-offer consultancy services	
23	<b>GROOT- Grass roots women</b>	-community mobilization -gender incorporation into projects -capacity building	-achieve their mandate
	<b>International Organizations</b>		
24	<b>Caritas</b>	-capacity building -funding water and agricultural projects -resource mobilization -improve livelihoods	-achieve their mandate
25	<b>World vision</b>	-community mobilization -capacity building -funding -partnership	- achieve their mandate
26	<b>Red cross</b>	-rescue mission -food relief	- achieve their mandate
27	<b>IMPACT international</b>	-capacity building -construction of water structures	- achieve their mandate -water provision to the communities
28	<b>Habitat for humanity International</b>	-resource mobilization (water & shelter)	-improve healthy and livelihoods -provide clean water to the community

		-funding	
29	<b>SNV</b>	-capacity building -policy support -funding	-ensure livelihood improvement -ensure policy formulation -ensure stakeholder mobilization
30	<b>LIAM-Love in Action Missionary</b>	-provision of irrigation and domestic water	-ensure availability of water
31	<b>FAO</b>	-capacity building -funding	-achieve their mandate
32	<b>UN Women</b>	-capacity building -funding	-achieve their mandate
	<b>CBOs/Private Sector</b>		
33	<b>WRUA-Water Resource Users Authority</b>	-resource management	-ensure management of water usage -protection of riparian areas/reserves
34	<b>BATUK</b>	-water infrastructure development and rehabilitation -construction of roads -offer rescue services -ecosystem restoration through tree planting and cleaning of rivers	-achieve their mandate of corporate responsibility
35	<b>Agro dealers</b>	-provision of farm inputs -capacity building Linkage to farmers	-achieve their mandate
36	<b>MKWEP</b>	-financial assistance to farmers	-achieve their mandate
	<b>Research and Academic Institutions</b>		
37	<b>KALRO</b>	-aid in research	-achieve their mandate
38	<b>KEFRI</b>	-aid in research	-achieve their mandate
39	<b>Dedan Kimathi University</b>	-carry out research	-achieve their mandate
40	<b>Laikipia University</b>	-carry out research	-achieve their mandate
41	<b>Karatina University</b>	-carry out research	-achieve their mandate
	<b>Financial Institutions</b>		
42	<b>Equity bank</b>	-offer financial support -revenue disbursement	-achieve their mandate -revenue generation through interests
43	<b>KCB</b>	-offer financial support -revenue disbursement	-achieve their mandate -revenue generation through interests

44	<b>Co-operative bank</b>	-offer financial support -revenue disbursement	-achieve their mandate -revenue generation through interests
45	<b>Agricultural Finance Corporation</b>	-offer financial support -revenue disbursement	-achieve their mandate -revenue generation through interests
	<b>Others</b>		
46	<b>Large scale agricultural firms</b>	-give ideas -partnership	-achieve their mandate
47	<b>Conservancies</b>	-restoration of ecosystems -creation of employment -improve livelihoods	-ensure rangeland management\ -revenue generation
48	<b>Small scale farmers</b>	-ensure food production and security -creation of employment	-ensure food security
49	<b>Pastoralists</b>	-ensure food security -give opinions	-ensure food security
50	<b>Agro pastoralists</b>	-ensure food security -give opinions	-ensure food security
51	<b>Large-scale farmers</b>	-ensure food production and security -creation of employment	-ensure food security
52	<b>Media</b>	-publicity of the project	-gain content
53	<b>Politicians</b>	-provide political goodwill of the project -act as linkage between government and the people	-gain political mileage
54	<b>Opinion leaders</b>	-give opinions -help in creating ownership of the project	-general development of the community
55	<b>Interest groups e.g., educated elites</b>	-give ideas -build consensus -give opinions	-general development of the community

## Conducting SA

### Stakeholder's importance and Influence

Influence of stakeholder	Importance of stakeholder				
		Unknown	Little/ No importance	Some Importance	Significant Importance
Significant Influence			Permaculture	CGL-NIA Service Boards	FSRP WRUAs WRA WASREB Conservancies Department of crops and irrigation -dept of livestock and fisheries -dept of energy -Elected leaders -Opinion leaders
Somewhat influential				-NEMA -Interest groups	-Banks eg Equity
Little/no influence			Ministry of interior GROOT -Media	Habitat SNV LIAM -KFS -KWS -KALRO -NCPB -Universities	BATUK KDF FAO/UN women WSTF Flower farms NRT
Unknown		World Vision Red Cross	Faith based organizations		

Process

Stakeholders/Institutional Analysis for the WEF Project

Stakeholder	Interest	Comment on interest	influence	Comment on influence	Affected by	Comments on affected
<b>CGL Dept of crops and irrigation</b>	H	They will be the first winner	H	They are the main actors influencing the project	M	The project will help improve their performance
<b>CGL Dept of livestock, fisheries and vet services</b>	H	They will be the first winners	H	They are the main actors influencing the project	M	The project will improve their performance
<b>CGL Dept of energy</b>	H	They will be the first winners	H	They are the main actors influencing the project	M	The project will improve their performance
<b>CGL Dept of water, environment, natural resources, and climate change</b>	H	They will be the first winners	H	They are the main actors influencing the project	M	The project will improve their performance
<b>FSRP</b>	M	They will somehow benefit	L	Their influence will depend on staff from CGL	M	It will assist them achieve their mandate
<b>Ministry of interior</b>	L	They will not be directly	L	They will not be directly affected in the project	L	It will help them achieve their mandate
<b>NIA</b>	H	They are the main actors	H	They fund and train	H	It will help them achieve their mandate

<b>KWS</b>	M	They will be moderately involved	M	Mitigate human wildlife conflicts	M	Will depend on funding from various actors
<b>KFS</b>	M	They will be moderately involved	M	depend on demand for trees growing	M	Will depend on their involvement in the project
<b>WASREB</b>	L	Their interest will depend on WRA activities	L	They will not have direct involvement in the project	L	Will depend on the project involvement
<b>WRA</b>	M	Management of water resources	M	Allocation of water resource	H	It will depend on how the project will involve them
<b>KDF</b>	L	They only respond when called upon	L	They have very low influence	L	They will be affected minimally
<b>Water service boards</b>	H	They initiate and fund projects	H	Funding and training	H	Achieve their mandate
<b>NEMA</b>	M	Ensure environmental conservation	M	Depend on the other actors	M	They will be involved in the project and policy endorsement
<b>UN Women</b>	L	It is only a women-based body	L	Women empowerment	L	Will depend on how they will be involved in the project
<b>WRUA</b>	M	Will be the beneficiaries of the project They are the main actors	M	Community mobilization	M	Will depend on how the project will involve them

		and mobilizers				
<b>BATUK</b>	M	Improve livelihoods	M	Initiating projects	M	Will depend on how the project involve them
<b>Agro-dealers</b>	M	Will depend on input requirements and the harvest	L	They have no direct influence on the project	L	Will depend on project involvement
<b>MKWEP</b>	L	They only offer consultancy services	L	Depend on required data	L	Will depend on project involvement
<b>KALRO</b>	M	Aid in research Breed improvement	M	Depend on demand	M	Will depend on how they will be involved
<b>KEFRI</b>	M	Aid in research	M	Depend on demand	M	Will depend on how they will be involved
<b>Dedan Kimathi Uni</b>	M	Aid in research	M	Depend on demand	M	Will depend on their involvement in the project
<b>Laikipia Uni</b>	M	Aid in research	m	Depend on demand	M	Will depend on their involvement in the project
<b>Banks (Equity, KCB, Coop)</b>	L	Only come along when disbursement of funds is required	L	Depend on demand	L	Will depend on how they will be involved
<b>Large-scale agricultural firms</b>	L	Only give opinions	L	Depend on demand	L	Will depend on how they will be involved

<b>Small scale farmers, agro-pastoralists, pastoralists, large-scale farmers</b>	H	They are the beneficiaries of the project	H	They must be involved	H	Will depend on level of cooperation required
<b>Conservancies</b>	M	Involved in rangeland management	M	Rangeland restoration	M	Will depend on how they will be involved in the project
<b>Media</b>	M	Depend on involvement	M	Depend on level of involvement	M	Will depend on how they will be involved in the project
<b>Politicians, opinion leaders, interest groups</b>	M	Depend on involvement They are the opinion leaders	M	Depend on the level of involvement	M	Will depend on their level of involvement in the project
<b>Kenya power</b>	L	They only have commercial interests	L	People are shifting into solar/green energy	L	Will depend on their level of involvement in the project
<b>NCPB</b>	M	Will depend on input demand and harvest	L	They have no direct influence in the project	L	Will depend on how they will be involved in the project
<b>WSTF</b>	H	They train and fund	H	Depend on the magnitude of the project	H	Achieve their mandate
<b>KEPHIS</b>	M	Will depend on demand for hybrid inputs like seeds	M	Will depend on other actors	L	Will depend on their involvement in the project

<b>Meteorological department</b>	L	They only give information	L	They don't anticipate any feedback from the project	L	Will depend on their involvement in the project
<b>NRT</b>	M	Only involved in rangeland management	M	Rangeland restoration and water provision	M	Will depend on their involvement in the project
<b>Permaculture</b>	L	They only deal with opuntia control	L	It is localised in one location	L	Will depend on how they will be involved
<b>Rural focus</b>	L	They only offer consultancy services	L	Depend on required data	L	Will depend on how they will be involved in the project
<b>GROOT</b>	L	It is a gender-based organization	L	Women empowerment	L	Will depend on their involvement in the project
<b>Caritas</b>	M	Improve livelihoods	M	Mobilize, fund, and implement projects	M	Will depend on how they will be involved in the project
<b>World vision</b>	M	Improve livelihoods	M	Funding projects	M	Will depend on how the project involve them
<b>Red cross</b>	M	Improve livelihoods	M	Funding projects	M	Will depend on how the project will involve them
<b>Impact international</b>	M	Improve livelihoods	M	Funding projects	M	Will depend on how the project will

						involve them
<b>SNV</b>	M	Improve livelihoods	M	Facilitate projects	M	Will depend on how the project will involve them
<b>LIAM</b>	L	Improve livelihoods	L	Facilitate projects	L	Will depend on how the project will involve them
<b>FAO</b>	M	Improve livelihoods	M	Facilitate projects	M	Will depend on how the project will involve them
